

## **«I believe» (made popular by John P Kee)**

I believe, I believe, I believe  
I believe, I believe just what You said  
(Repeat as needed)

By faith I believe it,  
by faith I receive it,  
by faith I can have it,  
by faith I can share It,  
I believe just what You said

I believe, I believe, I believe  
I believe, I believe just what You said  
(Repeat as needed)

By faith I will know it,  
by faith I will show It,  
by faith I will bear it,  
and now I'll declare,  
I believe just what You said

I believe, I believe, I believe  
I believe, I believe just what You said  
(Repeat as needed)

I believe just what You said  
(Repeat as needed)

I believe  
(Repeat as needed)

I believe just what, You said!
