

LOST WITHOUT YOU – Bebe & Cece Winans

Il coro canta sempre in risposta al solista. Qui di seguito la parte del coro:

Hold you in the midnight hour
Hold you in the midnight hour
Rock you through the stormy weather
Rock you through the stormy weather

Call on him and he'll give you power
Count on him and he'll give you power

Call on him
In the midnight hour
Call on him
In the afternoon
Early in the morning
Early in the morning
In the midnight hour
In the afternoon

Jesus
I need you
Jesus
I love you

Early in the morning
Early in the morning
In the midnight hour
In the afternoon

I love you
You love me
I'll serve you
You save me

Early in the morning
Early in the morning
Early in the morning

Pausa (Solista 2)

Hold you in the midnight hour
Rock you through the stormy weather

Rock you rock you through the stormy weather
Rock you rock you through the stormy weather
